fewer votes than his Democratic running mate. This would reduce fusion strength ng votes with the vote polled by other officers in the same election gave the P. party more than enough votes, even inder the Thompson opinion.

Exit Committeeman Rosewater. Just what route Secretary of State Junkin followed in finally making his decision is not divulged, but he decided Friday that the P. I. party did cast the requisite number of votes, and that Sophus

Noble's name should go on the primary ballot. Exit Resewater, national committeeman. There were 20,518 votes cast for Watson in Nebraska in 1904. With the two major parties divided entirely on the Taft vs. Bryan proposition, those votes must be cast for Bryan, or the former Watson Populists must change their politics entirely. Republicans have no hopes of such a change of heart, and Democrats of 1904 will flow Bryanward this year. The addition of a major part of this

Huge Pumps Turned on Blazing 0il Wels.

Tampico, Mex., Aug. 16.-The powerful pumps which were brought from the United States for the purpose of fighting the great oil fire in the San Geronimo district, seventy-five miles from Tamplco, were set to work yesterday, Enormous quantities of mud and sand are being pumped into the vortex of the flame, but as yet no appreciable reduction of the fire has been accomplished.

The flames are still mounting fully fifteen hundred feet into the air.
